

Parent Portal - Invitation

St Sebastian's is excited to invite you to use our Parent Portal.

Access is restricted to parents of students at our school and a logon is required. An account has been created for you and the details are outlined below.

The Parent Portal will enable easy access to information about happenings in the school, forms that need to be returned, names and contact details for staff, policy information and much more.

There's also a special section to allow you to check the details we have recorded in our enrolment system about your children, and if necessary, advise us of any changes.

You can also check on information about your child's attendance, teachers, timetable, NAPLAN performance and report cards.

We will be making increasing use of the Parent Portal to provide a range of information to parents in the future.

The initial login requires you to verify your identity and setup a password. This document will run you through the process.
