Please note:

To assist with the central administration of Brisbane Catholic Education there is an Archdiocesan Education Levy which is a charge on schools based on the number of families. This levy is paid from your tuition fees.

Explanation of fees:

By way of supporting a child centred, play based approach to early childhood learning, there is a \$550 Prep/Year 1 Levy per family per year for those with children in Year 1 and Prep. The revenue raised provides additional resources and staffing.

The Capital Levy component of \$500 is a compulsory levy. This levy helps us meet our building loan commitments.

The Information, Communication and Learning Technologies Levy of \$250 per student in Years 2 to 6, helps to support our focus on student learning through a flexible and innovative approach. This levy supports the maintenance and renewal of infrastructure, hardware and software.

The Library Fund Contribution of \$100 per family per year is fully tax deductible. Families are welcome and encouraged to pay more and we will adjust your tax deduction statement accordingly.

This year the Camp Fee of \$1000.00 per student will be charged to the students in Years 5 & 6. The 2020 camp will be to Sydney and Canberra. If the total cost is more or less than the final amount charged then the Term 4 camp fee will be adjusted.
