**Not included in above School Fees

School camp Years 4 & 5	TBC
School Camp Year 6	TBC

Explanation of fees:

To assist with the central administration of Brisbane Catholic Education there is an Archdiocesan Education Levy which is a charge on schools based on the number of families. This levy is paid from your tuition fees.

By way of supporting a child centred, play based approach to early childhood learning, there is a \$225 Prep/Year 1 Levy per family per year for those with children in Year 1 and Prep. The revenue raised provides additional resources and staffing.

The Capital Levy component of \$550 is a compulsory levy. This levy helps us meet our building loan commitments.

Technology - 1:1 iPad and Laptop - The Technology Levy component of \$200 per student provides every student with the use of an ICT device (iPad or Laptop) and also supports the ongoing upgrade and maintenance of ICT infrastructure school wide.

The Library Fund Contribution of \$100 per family per year is fully tax deductible. Families are welcome and encouraged to pay more and we will adjust your tax deduction statement accordingly.

This year Year 4 and Year 5 will 3day/2night camp at Luther Heights Coolum, and Year 6 will attend the Canberra Trip, dates and fees are to be confirmed.
